Calendar Specification

Myerscough Designs school calendars are popular and profitable.

With more schools introducing advertisers and sponsors within the calendars, the fund raising potential is greatly increased. The 12 monthly pages of artwork, plus the cover, allow the whole school to contribute to a worthwhile and valued project.

SPECIAL DAYS: All special school events taking place throughout the year can be printed within the calendar - term begin/end dates, half-term, Teacher Training Days, PTA meetings, S.A.T.'s, Sports Day, Open Days, Religious Days etc.

BIRTHDAY CALENDARS: The Birthday Calendar is also popular where each child, teacher, helper and support staff provides a self portrait and birthdate which appears on the appropriate month.

TYPESETTING: A wide range of typefaces is available. Typesetting is prepared free of charge for standard calendars.

QUALITY: The high quality calendar is A4 in size, wire bound and is printed on quality silk paper. Full colour through out.

ADVERTISING: This will generate funds to set against the cost of the calendar. Advertisements will be one per calendar month and positioned in the bottom right hand corner. We would recommend you charge **£20.00** per advert on average. That is a potential **£240.00** towards your calendar fund. This is well worth bearing in mind.
